Special Instructions

For additional seating options such as thoracic supports and alternative drive controls please refer to secondary order forms, entitled 'Additional Seating Options' or 'Specialty Control Input Devices'.

Quantum Notes:

1. This product is suitable for occupied transportation in accordance with ISO 7176-19. We strongly recommend that all heavy accessories such as manual ELRs are removed and secured during occupied transportation. We also advise that the use of third party accessories including life Support Systems, Chin Controls and Trays be risk assessed prior to the wheelchair being transported. Full details of suitable restraints for this wheelchair can be obtained from Quantum Technical on 01869 324600 or Email us on: technical@quantumrehab.co.uk
2. Due to manufacturing tolerances and continual product improvement, this specification can be subject to variance of + or - 3 %. Overall measurements will vary based on seating and accessory selections.
