Effective Date:

30 June 2025

Model(s) Affected: Q6 Edge 2.0, Q6 Edge HD & 4Front 2 HD

Description of Changes/ Diviations:

The back shroud used on all Quantum HD models is being updated to align with the standard Quantum design. This change supports consistency across the Quantum range and simplifies servicing and parts management.

Details of Update

- From Monday 30 June 2025, all Quantum HD chairs will ship with the standard Quantum back shroud.
- The previous HD-specific back shroud will no longer be used on new builds.
- This change applies across all Quantum HD models, regardless of seating option (e.g. TB3, Contoured).
- There is no change to chair functionality or specification.

Order Transition Information

- Orders placed before 30 June will continue to be built with the HD back shroud.
- Orders placed on or after 30 June will be built with the standard Quantum back shroud.
